

Millbrook Close bus stop

Use postcode PR6 8EY to get here - park beyond the houses

Please send out in advance to all your guests

It's a lovely setting, but parking is very limited (approx 10 cars).

Once spaces at the Hall (PR6 8HJ) have gone, you will need to park elsewhere and walk back. Our recommendation is shown on the map - on the left hand side only of this cul de sac old road where there are usually spaces. It's a two minute walk up to the Hall.

Please do not park on Meadow Street or Mill Street in any circumstances as there are complicated access arrangements. Please don't block access to the working farm, or to the house at the far side of our car park.

Do consider dropping off at the cobbled pathway from Victoria Street shown on the map, then you don't need to drive up to the hall at all - it's only 30 seconds' walk!

Please always park responsibly. It's a lovely village but parking can be a problem. Do consider public transport, we have a frequent bus service along Victoria Street, the 2 and 2A between Chorley and Blackburn. Get off at the Millbrook Close stop, it's one minute away from the Hall.
